AN APPEAL TO GEORGIA CHURCHES

CHURCHES BUILT KALEO

In 1987, volunteers from Georgia churches raised this camp with their own hands. A new chapter has begun — and we need those church partners now as much as ever.

A LEGACY OF PARTNERSHIP

BUILT BY THE CHURCH, IN EVERY PHASE

1987
Volunteers from Georgia churches play a crucial role in every phase of construction — clearing land, raising cabins, roofing buildings, and building Kaleo from the ground up.

1987 – 2024
For nearly four decades, Camp Kaleo serves as a ministry of the **Georgia Baptist Mission Board**, shaping thousands of young lives.

September 2024
Facing $3–5M in deferred maintenance, the GBMB announces the camp will close.

January 1, 2025
Friends of Kaleo assumes operation — the same mission, now sustained by the churches and friends who love this place.

THE NEED TODAY

WE NEED THE CHURCH AGAIN

Just as church members' hands built Kaleo in 1987, church partners will carry it into its next era. Aging cabins, a failing septic system, and HVAC replacement stand between us and the next generation of campers. Your congregation's gift — **one-time, annual, or a designated offering** — continues Kaleo's mission: **Know Jesus. Grow in Jesus. Show Jesus.**
